

7 December 1978

MEMORANDUM FOR: Legislative Counsel

FROM: Director of Central Intelligence

Stemming from my meeting with Representative Solarz and his constituents on 7 December came a promise from me to provide him a paper on how his constituents can obtain copies of our unclassified publications. I believe Herb Hetu has summarized this in one document, and that will do the trick. If so, let me have it to hand pen a note to him along with it.
